Heroes in the Home
Caregiver Recognition Award 2018

Di Thompson

Di is a friendly, cheerful person who provides assistance for her 95-year old friend Donnie Stevenson, visiting regularly and enjoying outings together for dinner or a drive in the country.

Di is always on the hunt for the best goodies and treats and enjoys going to different bakeries for sweets and specialty cakes to enjoy with Donnie. Since Di was a little girl, Donnie has been a part of her life. Di went to her cottage as a youngster and they consider each other to be family. She never thinks twice about helping Donnie and finds so much reward and enjoyment just spending time together.

As busy as her life can be, Di is happy to give of her time to visit her dear friend several times a week. Donnie even gets dressed up when she knows Di is coming over and is excited about having company. Di takes her to her medical appointments and other outings and their companionship and love for each other is evident to everyone around them.

Di hopes she will be as spry as Donnie when she turns 95 and for now, she is happy to spend time with her dear friend – not to be recognized – but because she is a loving, devoted friend and caregiver. We are grateful to Di for being such a good friend and supporter for Donnie, and we are pleased to recognize her as a Hero in the Home!
