## 2018 HNHB LHIN Heroes in the Home Nomination Deadline is March 28<sup>th</sup>

Each year, we celebrate unpaid caregivers across our many communities through our ***Heroes in the Home*** caregiver recognition program.

HNHB LHIN's ***Heroes in the Home*** program is our way to thank you and honour caregivers whose selfless dedication and kindness make it possible for their loved ones to remain living at home for as long as possible, regardless of illness or disability.

***Heroes in the Home*** has become the most important annual celebration for HNHB LHIN. We look forward to honouring our caregivers and recognizing their enormous contributions that support the well-being of others. **2018 Heroes nominations are open until March 28.** I encourage you to submit a caregiver nomination today!
